2825 Minute by the Honorable Mr. H. Dickinson — Thinks that the letter from the Bd. of Revenue with the Petition of Parthasarathy Iyengar.

Iyengar on the subject of Petitioner's dismissal and imprisonment should be referred to the Faujdary Adalut for transmission to the Session Judge of Cuddalore with directions to record his opinion on the guilt or innocence of the Petitioner and that the Faujdaree Adalut should then return the Petition to Govt. with their sentiments on the whole matter —— 18º Apl. & 8º May 1849 No. 6

2827 Minute by the Honorable Mr. D. Eliott —— States his reasons for considering Act IX of 1822 applicable to all classes of public servants on the Establishment of a Collector not only in the depart. of Land Revenue but in every department under his superintendence - agrees with the Honorable Mr. Dickinson that it is not the Collr. of Sea Custom that Act VI of 1844 contemplates as the authority to try cases of fraud under clause 67 and observes that the Act specifies certain cases in which the Collr. is to adjudicate, but that the offence for which Parthasarathy Iyengar late a writer in the Sea Custom House was sentenced to imprisonment for fraudulent conduct is not one of them States that all the proceedings of the Collr. against the Petitioner appear to have been more or less obnoxious to censure and that he ought to give him compensation but that the Govt. cannot award it —— 19º D 8º D No. 7

3000 Minute by the Honorable Mr. Eliott

Conceives that the recommendation of the Agent in Vizagapatam and the Board of Revenue that the Officer charged with the administration of the Vizianagram Zemindary should be appointed a Special Assistant to the Agent within the Zemin: :dary in order that he may be vested with all the powers the agent holds in revenue matters and also with judicial authority is founded on a Misapprehension of the intentions of Government in the appointment of that Officer, and thinks that it would not be salutary to clothe him with this immunity without any of the reasons for it which apply to Officers who are acting as the representatives of Govt. Points out the position it was intended the Special Asstt. Agent should take and the duties which should be performed by him observes that the designation of Mr. Crozier as a joint Magistrate was a mistake and that it ought to have been "Asstt. to the Agent to the Governor of Fort St. George in the Departt. of Criminal Justice and Police" — 26th Apl. 15th May 1849 No. 41

3009 Minute by the Honorable Mr. Dickinson

Observes that since Act XXIV of 1839 excludes the jurisdiction of the Established Courts from the Tracts specified in it, none of the inconveni: :ence anticipated by the Agent and the Bd. of Revt. regarding the prosecution of Mr. Crozier in those Courts for his Acts of Special Agent will be experienced, but thinks that there is no objection to Mr. Crozier being armed with the powers conferred by the Act by changing the desig: :nation of his appointment into that of "Special Asstt. to the Agent" — 28th D 15th D No. 43
